OFFICE OF THE VICE PRESIDENT  
WASHINGTON

July 26, 1982

Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Bill,

I appreciate your quick response to my inquiry about NSA's proposed plan to help the President's South Florida Task Force.

The program you refer to in your July 22 note to me is not the one that I referred to. I have been briefed on the program that the President approved on June 28, and, although it is helpful to our effort, it does not go far enough to get us the intelligence we need in the Caribbean/Colombia area.

I guess the plan I am talking about has not gotten to your desk yet. Maybe John McMahon is aware of it.

Again, thanks for your help.

Sincerely,

A handwritten signature in cursive script, appearing to read "Dan".
